

Dated: April 3, 2007

Dear Customers;

This document certifies that ATC'S has taken the necessary steps to comply with the Restriction of Hazardous Substances (ROHS) directive.

Based on the material declarations and written assurances from our suppliers we guarantee that ATC products listed and labeled as RoHS compliant do not contain the six restricted substances namely lead, cadmium, mercury, hexavalent chromium, poly brominated biphenyl ethers and poly brominated diphenyl ethers above the limits set by the ROHS directive.

Detailed information regarding the transition of ROHS products with their available dates, identification of ROHS products is available at our corporate website www.szatc.com
